**Sub: Annual Surface Compensation Determination for Persons Who Own Land in the Mining Lease Area of Dalmia Bharat Cement Ltd. and Facilitate Entry into / possession of Mining Lease Land.**

Dear Sir,

Mining Lease in respect of the following mining blocks had been granted in our favour.

Sr. No.	Mining Lease - Dist. Satna MP	ML No.	ML Extent in Ha.	Period of ML	
1	Jamuna Mining Lease	1247	89.234	05-11-2015	04-11-2065
2	Pagara-Jhiriya Mining Lease	1246	395.965*	06-11-2015	05-11-2065
3	Janardhanpur-Patarhai-Bairiha Mining Lease	1507	575.83	18-10-2019	17-10-2069

\*Out of 395.965 Ha. In Pagara-Jhiriya Mining Lease, 245.316 Ha. area is considered for mining and allied activity as per EC.

We have also obtained penciling orders from the District Administration in respect of the lands under the said Mining Blocks, which records that land under the said Mining Blocks are reserved for us till the expiry of the Mining Lease period i.e. up to 2065 & 2069 respective. A copy of the said Penciling Orders is enclosed as Annexure A for your kind reference.

However, we have not been able to enter upon the Mining Lease land as the land owners have not agreed to sell their land and consequently mining activity confined only to a limited are of ML and thus hampering full-fledged mining.

The total area of land under said Mining Blocks is 910.38 Ha. out of which we have obtained some land and Annual Surface Compensation has been fixed for first 10 years. We now submit our application for securing balance land through Annual Surface Compensation for 521.131 Ha.

In this regard, we would like to draw your attention to the direction issued by Ministry of Mines, Government of India, dated 5<sup>th</sup> July, 2024 under section 20A of the Mines and Minerals (Development and Regulation) Act, 1957 [hereinafter referred as MMDR Act], wherein Sec 24A of the MMDR Act confers right upon Mining Lease holder to enter the land over which Mining Lease has been granted, subject to payment of the annual surface compensation as may be fixed by State for the persons who owns land under the mining leases. The said section 24(A) reads as under:

**24A. (1) On the issue of a 4 [reconnaissance permit, prospecting license or mining lease] under this Act and the rules made thereunder, it shall be lawful for the [holder of such permit, license or lease], his agent or this servants or workmen to enter the lands over which 2 [such permit, lease or license had been granted] at all times during its currency and carry out all such 3 [reconnaissance, prospecting or mining operations] as may be prescribed:**

*(3) The amount of compensation payable under sub-section (2) shall be determined by the State Government in the manner prescribed.*

*(4) The annual compensation referred to in sub-rule (1) shall be payable on or before such date as may be specified by the State Government in this behalf.*

The section 247 of M.P. Land Revenue Code, 1959 also necessitates similar proceedings for entering upon the Mining Lease area.

Out of total land of 910.38 Ha. under said Mining Blocks, annual surface compensation is already fixed upon are 307.29 Ha. which was applied on dated 17-07-2024. Balance area which is not purchased and for which Annual Surface compensation is not fixed is 521.131 Ha. The details of such land are enclosed for your ready reference and the summarized version is tabulated here below: -

Sr. No.	Name of Mining Lease	Total Grant Area (in Hectare)	Applied & Fixed area for Annual Surface Compensation for 10 Yrs. (in Hectare)	Area to be applied for Annual Surface Compensation for 50 Yrs. (in Hectare)
1	Jamuna Mines	89.23	46.550	17.977
2	Janardanpur Mines	575.83	184.880	341.901
3	Pagra Mines	245.32	75.860	161.253
<b>Total</b>		<b>910.380</b>	<b>307.29</b>	<b>521.131</b>

Due to reluctance of land owners, we are facing problems in undertaking full – fledged operation to put up cement plant at Dist. Satna with an investment of more than INR 3000 Crore.

You are therefor requested to affix the annual surface compensation for balance 521.131 Ha. of land in the aforesaid Mining Blocks and issue suitable notice to land owners enabling us to enter upon/take possession of the Mining Lease land. A list giving details of such persons, who owns land therein, with their respective land holders in each Mining Blocks in question, is enclosed herewith as Annexure – B.

You are requested to kindly expedite the same as the delay in getting land is hampering the mining activity and consequent investment of Rs. 3000 crores for putting up the cement plant, which would not only create avenues for job creation but will also add to the state exchequer in the form of royalties and taxes. In the process it will aid in socio-economic upliftment of the local populace.

Thanking you,

Regards,

For Dalmia Cement (Bharat) Ltd.

However, we have not been able to enter upon the entire Mining Lease land due to the reluctance of land owners who own land therein to give their consent to allow our entry upon Mining Lease land, for the want of compensation.

The total area of land under said Mining Blocks is 910.38 Ha, out of which we have not been able to enter upon 845.174 Ha of land, only 65.206 Ha land is in our possession that too through purchase. We have also started our mining operations over said 65.206 Ha land.

Further regulations to affix the said compensation, is mentioned in Rule 52 of The Minerals (Other Than Atomic and Hydro Carbons Energy Minerals) Concession Rules, 2016. The said Rule 52 reads as under;

Out of total land of 910.38 Ha. under said Mining Blocks, annual surface compensation is to be fixed upon 845.174 Ha of land, a breakup of the same is given below
